### NOTE

- **Bidding closes at 23:00 hours SGT the day before Loan Start.** There will be a 1 hour non-bidding period before bidding for the next Loan Start begins.
- **Funds must be in your account by 12:01 AM SGT on the Loan Start Date.** You must have enough funds in your P2P Account to cover your payment / repayment commitments for the current Loan Start. Because a Loan Start Date can fall on a bank holiday(s) and international bank transfers are often delayed please fund your P2P account early.
- **As an alternative to sending funds**, or if you unable to do so in time, you can "**roll-over**" a loan, pending availability, by obtaining a new loan from a lender based on offered terms. Loans can be obtained up to 1 hour before Loan Start date.
- **Should funds in your P2P account be insufficient** to cover your loan commitments by 12.01 AM SGT on the Loan Start Date you will be charged a late fee of 1.5% of the outstanding balance at payment due date and for every loan period thereafter. In such a case the Reserve Fund will, pending funds availability, provide you with an intra-day loan to cover your payment commitments and prevent a contract breach.
- **If you require funds immediately** and have an upcoming valid loan contract, a **loan advance** can be arranged.
